

12/9/13

I FIND GRACE

(Dedicated to my sister Rachelle)

VERSE 1

What do I do when I feel like dyin'..... There's not a day I can't stop cryin'
Everything...overwhelms my life
All the voices that I'm hearin'.....Telling me to keep on fearin'
There's no hope....just give up the fight

CHORUS

(But) I find Grace at the cross...In my weakness You are strong
(So) I look to you each day...when I cannot find my way.....
(and) I find Grace

VERSE 2

Every day I wake up prayin'.....I wanna hear your voice sayin'
Everything's.....gonna be okay.
So help me Lord 'cause I'm still fallin'....Darkness knocks and keeps on callin'
Tellin' me that it's too late

REPEAT CHORUS

BRIDGE

There is mercy in your heart for the broken...and Grace enough for me at your throne
I hold on to the truth that I am chosen....And I rest in Grace alone
I find Grace at the cross... I find Grace in Your arms
I find Grace overcomes... and the Victory is won

REPEAT CHORUS
